

**Fort Garrison Elementary School
Transportation Form 2007-2008**

Children are transported to and from Fort Garrison Elementary School by bus, carpool, or by walking. It is essential that the school clearly understand parents' transportation plans in order to ensure the safety of the children. This form will be used to document your plans for regular dismissal. Baltimore County Public School's require that the children have a consistent means of transportation to and from school, except for days when the students go to Hebrew School. Any changes in regular dismissal plans must be sent to school in written form. Emergency Cards and Emergency Forms are also completed by parents and are held in the office for use in the event of an emergency. This form is due in the office by August 27, 2007.
